Help C.R.A.F.T. Unwrap Some Gifts!

Even though this has been a challenging year, C.R.A.F.T. has continued to serve the youth in the Peninsula/Maryland Park area and we are humbled by the fact that God has chosen us to be a light in the community. We have served many children who are latent gifts from God. We feel that each one of the children/ youth that we interact with through our various programs are "strapped gifts" that we have been charged to unwrap. We feel that through our acts of love and support we are unwrapping the wrapped potential, talents, and skills of the youth who are our future. We know that these precious gifts include our future President of the United States, the doctor who will discover the cure for cancer and the common cold, the scientist who will find the solution to the world's global warming, the musician who will create the next unforgettable symphony, and the child who will create the vaccine that will cure the next global pandemic.

As you make plans for Christmas 2019 and the New Year 2020, please include C.R.A.F.T. in your prayers and in your budget so that we can continue to unwrap the gifts that God has placed in our lives.

Unwrapping Gifts

"Children are gifts from God" (John 1:12)

Gifts received

But not given

Receiving wrapped

Are things we are given

But children are gifts

From our Father above

But gifts to unwrap

Through our acts of love

Let's unwrap gifts

From our Father above

For they will be blessed

For their gifts

For their gifts
