## Unwrapping Gifts with CRAFT

**E**ven though this has been another challenging year, CRAFT has continued to serve the youth in the Foxborough/Hopkinton Park area. We feel that through our

acts of love and support we are unwrapping the untapped potential, talents, and skills of the youth who are our future. We know that these precious gifts include our future President of the United States, the doctor who will discover the cure for cancer and the common cold, the scientist who will find the solution to the world's global warming, the musician who will create the next unforgettable song, and the child who will create the vaccine that will cure the next global pandemic.

In October 2001, CRAFT's founder, Rev. Elizabeth Brady, Jr. penned a poem called "Unwrapping Gifts" - Two of the lines read "...but gifts to unwrap. Through our acts of love, let's unwrap gifts... Society will be blessed, And God glorified."
