Recommendations will be completed by:

It is the applicant's responsibility to make sure recommendations are submitted with application.

Letter of Recommendations submitted from Steve Tappmeyers and Sandra Kirk-Franklin

**Multiple attempts been made to obtain an official transcript. The transcript was requested back in March 2021; however, it has not been received. Due to COVID-19 minimum staff's been working in the offices. We will continue to reach out daily to the academic office to follow up on the status of the transcript being mailed. An e unofficial one was attached to the online packet; however, the hardcopy will be postmarked on/before June 30th to allow more time for the official transcript to come to the house.

6/15/2021 called Ms. Hamilton to notify her of the issue with the transcript.

Hezekiah Brady, Jr. Scholarship
By Garriet Pendleton

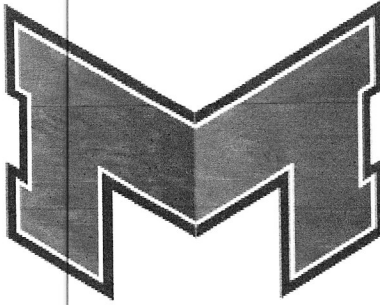

I am an undergraduate student at Maryville University in St. Louis and active member of the men's basketball team seeking a Bachelor of Science in Marketing with a minor in Business Administration. The first two years of my undergraduate academic studies was spent at Lincoln University (LU), a Historical Black College University where I was an active member of the Men's Basketball Team and blessed with acceptance into a fraternal bond and true brotherhood of Alpha Phi Alpha Fraternity, Incorporated (Alpha Psi Chapter). As a young child, my parents were heavily involved in serving in our church and throughout the community – and remain active today. The importance of civic involvement was instilled in me by watching them serve others. As a very young child, my parents included me in civic services in our church, church community and within different clubs and teams I was a member of in high school.

As a college student, I continue to serve others within communities. As a member of the LU basketball team, I participated in food drives, volunteered in golf fundraising events and valet parked for a school gala event to help raise funding for the university. With my fraternity, we signed students and people in the community up to become registered voters in our "*Hopeless People is a Voteless People*" initiative. We taught young boys and men how to tie a tie and organized a step show at a local grade school to promote college awareness and encourage young students to pursue a college education. As a member of the Maryville University Basketball team, we volunteered with local bird sanctuary to clean up their habitat. As an individual, I periodically assisted an elderly man with various projects including moving furniture in his home.

This summer, I have been blessed with a ten-week paid internship with Mark Anthony Brands in their Mike's Hard Lemonade division as a marketing intern. This company is leading the malt seltzer industry as a distributor of premium craft spirits. My future goal is to complete my undergraduate studies May 2022 with an opportunity to have an entry-level position in Mark

Anthony Brands. As a recurring applicant, and loving member of the C.R.A.F.T. community, I have goals to help support this organization through monetary donations and speaking with SAP recipients to encourage them along their college journey. I strongly believe that it is important to give back to show gratitude to those who invest and see the potential in you.

College has not always been an easy road; however, the scars I've received along the way have molded me into a proud black man with an entrepreneurial mindset and bright future. Maturity has placed me in a better position to determine what exactly I believe my role in this world. Due to my strong Christian upbringing with my parents, I am very thankful for my relationship with God because it makes it easier lean and put my trust in Him through the easy and rough times of life.

MARYVILLE
UNIVERSITY

Men's Basketball, 650 Maryville University Drive, St. Louis, Missouri 63141

To Whom It May Concern,

I am very pleased to write this letter recommending Gary Pendelton for the *Hezekiah Brady Jr. Scholarship*. Gary is currently a basketball player on the Maryville University Basketball Team and I am a member of the coaching staff.

I have worked for 35 years in higher education as a college basketball coach. During that time, I have worked with and observed hundreds of college-age students. Gary is at the top of my list of young men that have what it takes to be successful.

Gary has an outstanding work ethic and is a high character person in so many areas. He is an unselfish, team-first person. When adversity comes his way, Gary makes no excuses, he just stays focused on his job and his team. With the combination of covid, our staff being new (which did not recruit Gary) and so many distractions, there were numerous opportunities to make excuses and to complain. Not once did Gary waver from his role. He is a bright, sincere man that is going to be a huge success in life.

I hope you give Gary every consideration for the *Hezekiah Brady Jr. Scholarship*. I promise that he will make you proud.

Sincerely,

Steve Tappmeyer
Assistant Men's Basketball Coach

May 27, 2021

Dear Scholarship Committee:

I am writing this letter on behalf of one of our Christian young men from the Sheldon Heights Church of Christ – **GARRIET PENDLETON**. Garriet is an active member in church who comes from a very strong, dedicated, spiritual family with roots in the Church.

I have known Garriet for over 18 years. Since he was a young boy, he has faithfully attended service, bible class, youth activities & events, and served in various capacities. He has been an Usher in the church since he was a young teen. I've had the pleasure to watch him grow from a young boy into a mature Christian young man.

Garriet exemplifies leadership qualities in so many different ways. He does not wait to see what anyone else is doing nor is he a follower. Garriet is always willing to participate and assist with anything that is taking place at his academic or spiritual institutions and community related events. Annually, over the past years (pre COVID-19), we have taken our youth to a Midwest Youth Conference where he has attended numerous times. Due to his athletic abilities, he was instrumental in the basketball team taking 1st or 2nd place over multiple years.

Garriet will be entering his Senior year this fall where he is attending Maryville University on a basketball scholarship. He is very intelligent, determined, dedicated, dependable, ambitious, respectful, and athletic. Because of Garriet's determination to succeed, I have no doubt that he will successfully continue on his path toward graduation.

I am more than confident that Garriet Pendleton will be a positive representative of the values, morals, and academic prowess of which your Scholarship is focused on. I humbly and confidently recommend Garriet Pendleton to be a recipient of the Hezekiah Brady Scholarship. If you would like any further information regarding my recommendation for Garriet Pendleton, please do not hesitate to contact me at (708) 772-5158.

Sincerely,

Mrs. Sandra Franklin
