Congratulations, Gia, you have been admitted to Illinois State University!

On behalf of our students, faculty, and staff, I welcome you to our academic community. As a student at Illinois State, you will enjoy incredible opportunities both in and out of the classroom. Our graduation rate ranks among the top 10 percent of all public schools in the country over the last decade, and we have over 400 student organizations in which you can get involved. I am confident you will love your time as a Redbird and be well prepared to achieve your goals.

You have been admitted as an **Undeclared** student for Spring 2023, because you do not meet the admission requirements for the Early Childhood Education program. Explore your options from our more than 150 academic programs at [IllinoisState.edu/Academics](https://IllinoisState.edu/Academics), and contact the Office of Admissions if you would like to be considered for a different program. Your next steps to becoming a Redbird require access to your admitted student portal. To begin, you must activate your account at [IllinoisState.edu/Activate](https://IllinoisState.edu/Activate).

You will need your University ID: 808035660

Once your account is active, please visit [My.IllinoisState.edu](https://My.IllinoisState.edu) to view the information needed to complete your admission file.

Successful performance is important to your transition to Illinois State. If you anticipate changes in your academic credentials or courses, please let us know as soon as possible as they may impact our offer of admission.

You will find everything you need to know about enrolling at Illinois State in your admission packet, including information on joining the Redbird family.

Gia, you should be very proud of your accomplishments. I am confident that you will continue your academic success, pursue your passions, and accomplish great things as an Illinois State Redbird!

Sincerely,

Jeff Mavros  
Director of Admissions
